

This is to certify that **ENGINEERING PROGRAMMES** from the

**University of Zagreb,
Faculty of Forestry,
in Zagreb, Croatia**

**satisfy FEANI prerequisites for European engineering education and
are included accordingly in the FEANI INDEX of recognized schools and programmes.**

FEANI maintains an INDEX listing the institutions of engineering higher education in European countries represented within FEANI, and their engineering programmes, which are recognized by FEANI as fulfilling the mandatory education requirements for the EUR ING title. Being approved by all FEANI National Members, the FEANI INDEX is an authoritative source of information about national engineering education systems and educational institutions.
